Magazine sales have begun for our Juniors. The money from this fundraiser helps finance the prom. If you are interested in buying magazine, please contact a junior class member or the school. As always, we thank you for your support of our students!

Congratulations to our newest National Honor Society members: Braden Carmody, Julia Fargen, Kaitlin Fleet, Nicholas Grooters, Lacey Lynn, Richard Mulder, Jessica Nomeland, Tyler Schindler, Nicole Schwing, and Shelby Thomas.

Congratulations also to FFA Jacket Scholarship Award Winners from the SD FFA Foundation, Courtney Mulder and Desire Routier. We also had three seniors were nominated by EHS faculty for the DAR Good Citizen Award this year: Julia Fargen, Kaitlin Fleet, and Shelby Thomas. The seniors then voted for the one they felt most exemplifies the title of Good Citizen through qualities of dependability, service, leadership, and patriotism. This year's EHS Good Citizen is Kaitlin Fleet. Congratulations Kaitlin and great job to all of the nominees.

The library will be closed the rest of this week while Mrs. Bauman is at library conference. Students can return books to the outside drop box if needed.

Our elementary fundraiser and concert will be held on Monday, October 22nd. Teachers and students are busy working on their "acts" for the program. Our theme this year is, "Elkton's Got Talent". Prior to the concert, a burger feed, with burgers from Big Daddy's, will be held. We will start serving at 5:30pm, with the concert beginning at 7pm. Look for more details in future Tidbits.

Remember there is NO SCHOOL on Monday! Enjoy this extra day with your family. We will also have NO SCHOOL on Friday, October 19th due to in-service and school will start at noon on Wednesday, October 24th due to in-service.

ELKTON SCHOOL DISTRICT 3 & 4 YEAR OLD SCREENING

The Elkton School District will be offering a screening for **ALL children** in the Elkton School District **ages 3 and 4 on Tuesday, October 16th**. We will also screen any **5 year olds** whose parents have concerns about their development. This screening will include a brief review of your child's development in large and fine motor skills, concepts, and speech and language. The screening will take approximately 30 minutes and you will get to talk with an early childhood specialist after your child has been screened. **Please call the Elkton School, 542-2541, to set up an appointment for your child's screening.**

If you have a child ages Birth-3, and you have concerns about their development, please call the school and we will set up an appointment for a later date to screen your child. We will not be screening these ages on October 16th. If you have any questions, contact Vickie Fargen, Preschool Teacher, at the Elkton School.
